

# GETTING TO THE DREAMCATCHER GUEST HOUSE

2009 CALLE ESPAÑA, OCEAN PARK, SAN JUAN, PR 00911

We recommend that you print this guide to avoid difficulties in arriving at the Dreamcatcher Guest House.

## LOCATION

The Dreamcatcher Guest House is located in a gated beach community called Ocean Park. From here it is a 10 min. drive to Old San Juan and from/to the International Airport. Ocean Park is tucked in between two highly touristic neighborhoods: Isla Verde and Condado.

## FROM THE AIRPORT

It is a quick and easy 10 minute taxi ride for about \$20. There is no need to schedule a ride as plenty of cabs are available at the airport. Please do inform your driver that we are located inside the gated community of Ocean Park.

## IF YOU ARE RENTING A CAR

Leaving the airport, keep right onto Highway 26 and follow the signs towards **SAN JUAN**.

After 2 miles, take exit towards **SAN JORGE** (shopping mall LOIZA PLAZA to your right). Stay on the marginal until you turn right onto **CALLE LAS PALOMAS**.

## ACCESS AT NIGHT

After sunset, if you enter the community by car please inform the security guard at the main gate that you are staying at the Dreamcatcher Guest House.

## GETTING LOST

In case you get lost on your way, please do not panic. We have options for you:

- 1) Google Directions to **Tres Palmas Surf Store**. This Store is located right at the Entrance to the Community.
- 2) Ask a local for directions to Ocean Park, good points of reference are **Pamelas at Numero Uno, Hosteria del Mare, Kasalta, Ashtanga Yoga** or **Tres Palmas Surf Store**
- 3) Find **Calle McLeary** and look out for **streets with gates**. If you have the **gates on your right side** then you are driving in the right direction. Keep on driving until you get to **Intersection Calle Mc Leary & Santa Anna Street**. Points of Reference: Puma Gas Station, Tres Palmas, Ashtanga Yoga, Mini Mart (black yellow building).
- 4) Give us a call at +1 787-455-8259
